DISTRICT OF NEVADA

JACOB ANGELO MASSEY,

Petitioner,

v.

ATTORNEY GENERAL OF THE STATE
OF NEVADA, *et al.*,

Respondents.

Case No. 3:24-cv-00385-MMD-CSD

ORDER

In this habeas corpus action, Petitioner Jacob Angelo Massey, represented by appointed counsel, was to file an amended habeas petition by December 30, 2024. (ECF No. 11.) On December 30, Massey filed a motion for extension of time requesting a 91-day extension, to March 31, 2025. (ECF No. 15 (“Motion”).) Massey’s counsel states that they need the extension in the deadline because of the time it is taking to obtain records, to organize and examine the records, and to draft the amended petition. The Court finds that the Motion is made in good faith and not solely for the purpose of delay, and that there is good cause for the extension requested. Accordingly, the Court will grant the Motion.

Because Massey will have over six months since counsel’s appearance to file an amended petition given the new deadline, the Court will not look favorably upon any motion to further extend this deadline.

In granting the Motion—or any motion to extend the time for an amended petition in this case—the Court does not comment upon or affect in any manner the operation of any statute of limitations applicable to the case.

It is therefore ordered that Petitioner’s motion for extension of time (ECF No. 15) is granted. Petitioner will have up to and including March 31, 2025, to file an amended

1 habeas petition. In all other respects, the schedule for further proceedings set forth in the
2 order entered September 30, 2024 (ECF No. 11) remains in effect.

3 DATED THIS 3rd Day of January 2025.
